Report of Duhabi Children Home Sunsari /Nepal february 2023

Local Donation

There was no cash and kinds donation received from local donors, Donors from local area of Duhabi visited Duhabi Home (DH) and celebrated birthday at DH and distributed snacks among the children.

Meeting

No board meeting was held during this month but member from the Supervisory Committee Mr. Krishna Youngan and Nishchal Shakya visited DH for inspection the work of staff members and checked weekly expenses register and monthly bills and vouchers.

Ramesh Thapa and Vidyan and Yadav from Duhabi board also regularly visited to DH and discussed with OM about the progress of children, difficulties of children and needed items at DH.

Reports of children

Children remained safe and healthy this february, without any serious diseases. They were well cared by the home mother and kitchen mother; the children were feeded with nutrients diet.

Anju and Anoj were regularly attending coaching classes in morning time before school, they were busy all the time with their study rather than playing or watching television.

No conflict seen among the children. Children are helping each other and there is no such aggression in the home. None of the relatives visited Duhabi home. Siwani and Urmila are good at washing clothes and they used to support home mother in washing clothes of younger children and helps in kitchen as well.

Children enjoying company of mr. Krishna Youngan.

providing extra classes to the children for their exam preparation and planning to take classes saturday as well.

Hygiene

Toilets, bathroom and rooms of children were regularly cleaned by homemother Muna and assistant homemother Prinkaya. Elder children Anju, Siwani and Urmila helps homemother and kitchenmother in cleaning surrounding and house premises.

The pipelines of toilet and kitchen needs to be changed there are some leakage in the pipes by which the waste water comes outside of drain which smell bad and harmful for children.

New projects

Old fused bulbs were changed and called plumber for the estimation to repair the toilet drain and separate pipelines.

Points of Attention

- Similarly, an endowment account has been open in separate bank to deposit the fund from employees. Now 14-months fund has been deposited for them which they can withdraw at their retirement time.
- Repair and maintenance work will be started by february.
