Local donors from Duhabi came to Duhabi home during a Nepalese festival to distribute sweets and food items to the children. The donations included rice, vegetable oil, puffed rice, and beaten rice. Staff members were involved in receiving the donations from the donors, and the donors were not allowed to provide items directly to the children.

During the month, there were no formal meetings held at the Duhabi home. However, the chairman, Mr. Udhav Poudel, along with the secretary and treasurer, visited the home regularly to monitor the work of the manager and staff members. They also discussed the necessary items and support needed for the children at the home.

Covering the month of Januari: 2025

The President of Stichting Shide Children Home Netherlands visited Duhabi Home on January 28th, 30th, and 31st to discuss various aspects of the organization. Meetings were held with the chairman, manager, staff members, and children of the home, and the activities of the home, the smooth running of the organization, and other project-related matters were discussed. The discussions focused on ensuring the well-being and development of the children at the home.

Reports of Children

This January, everything was in good order, with nearly all the children in good health. However, Anju, became seriously ill but was fortunate to receive exceptional care from the mothers at Home. She was taken to the hospital for her check-up, and after receiving proper medical care, she is well. The home mother and kitchen mother ensured she received the necessary medication and support for her recovery.

The children attended both school and tuition classes regularly with their hired tutor. The tutor was instructed to provide extra care to Shristi in her studies. The tuition time was extended from 1 hour to 1.5 hours per session, both in the morning and evening.

The children and staff members at home celebrated New Year by enjoying delicious food and exchanging greetings. The event was attended by all the children and staff members, and two board members were also invited on this occasion, making it a fun and festive gathering for everyone involved.

During this month, the birthday of Shristi was celebrated at Duhabi Home. A cake was bought for her special day, and the chairman and treasurer of Duhabi Home were invited on this occasion. It was a joyous occasion filled with laughter and celebration.

On 29th January, children, staff members, and board members of the Duhabi home went on a picnic at Panchayim Simsar. The President of SSCHD Netherlands also joined the picnic with the children. The children had a great time playing games and taking boat rides. Counsellor Mr. Raj Chaudhary organized additional activities for the children, and prizes were distributed by President Mr. Henk Hooghuis. The children enjoyed delicious food and had a memorable day at the picnic.

Report of Duhabi Children Home

Covering the month of Januari: 2025

Children are watering the flower garden with enthusiasm and care.

Education

In the second week of the month, the second terminal school results were published. Karan secured 71.9% and Karuna both secured 85.75%, while Shristi failed in Health, Mathematics, and Science. Khushi received an impressive 90.8% and obtained the 1st rank in her class. Ram and Laxman both passed the second terminal examination.

Calamities

No any calamities happened at home.

Medical issues

This January, all the children remained safe and healthy except for Anju, who experienced stomach pain. After consulting with a doctor and undergoing a video x-ray, a small stone was found in her kidney. The doctor advised her to drink plenty of water and avoid oily foods to help alleviate the issue.

Repair and Maintenance

No Maintenance work were done.

Safety Measures

The old and damaged switchboards need to be replaced due to the risk of electric shock. It is necessary to install new switchboards to ensure safety and prevent potential hazards.

Staff Members

In Duhabi Home, staff worked for 31 days. During the month, the Kitchen Mother took leave for 3 days; the Home Mother managed her tasks with help from the guard. She cared for the children, the Kitchen Mother prepared food and cleaned, while the security guard took the children to school and ensured their safety at home.

New project

There were no new projects completed in January.

Game was started by discussing the activities of the previous meeting. A treasure hunt activity for children is a fun and engaging way to nurture various skills and knowledge. Children have participated in this activity, and they actively participated. Initially, we informed the children to work together and share ideas to find clues and treasures. In this activity, we have hidden three types of surprises. While searching for treasures, they developed skills such as problem solving, creativity, patience, determination, confidence, and perseverance. It boosts self-confidence as they achieve milestones and ultimately find the treasure. Children found treasures three times. They expressed that they enjoyed it and were happy.

Points of attention

The safety tank of home is full of water and overflowing with it which comes from the bathroom while bathing and washing clothes, creating a potential breeding ground for insects and leading to possible infections for the children. It is urgent that the tank be cleaned immediately to prevent further health risks.
