	school		<ul style="list-style-type: none"> <li>• Then, we discussed by forming a group. We talked about how children prepare for examinations and who is affected when we do not prepare adequately.</li> <li>• Then, the children said that they would be better prepared for the examination.</li> <li>• Then, the children said that they would be better prepared for the examination.</li> </ul>	
24/01/2025	Informal discussion and conversation about hygiene with children.	10 Children	<ul style="list-style-type: none"> <li>• Today, the children discussed how to stay clean and healthy.</li> <li>• Keep shaking with children before eating, and after using the toilet and playing outside. Twice a day in a day - Brush at least two minutes and the evening. When our body is clean and fresh. Try bathing every day and wash your hair regularly. Also, clean clothes help you make you feel better.</li> <li>• During discussions with children, they will consistently emphasize the importance of cleanliness.</li> </ul>	
25/01/2025	Game to jump in a box with a number	14 Children	<ul style="list-style-type: none"> <li>• Today, we were ready to play a jumping game with the kids. We drew many boxes on the floor. Players needed to jump into the numbered boxes and avoid the gaps. Everyone was actively involved and excited to participate in this game.</li> <li>• Initially, children were embarrassed to play this game. They understood the rules of the game and they completed the game.</li> <li>• The children improve their hand-eye coordination and motor skills while developing their ability to communicate and focus effectively. Additionally, this activity helps them make decisions, develop problem-solving skills, and build friendships.</li> <li>• This game provides fun and engaging ways for children to learn and play. The joy on their faces was evident as they participated in the activities. Even if they faced challenges, they remained excited and eager to continue playing</li> </ul>	
30/01/2025	Meeting with Mr. Henk		<ul style="list-style-type: none"> <li>• Today, in the meeting with Mr. Henk, he discussed the children under the care and protection of Duhabi Children's Home. It was a good and fruitful discussion.</li> </ul>	

**Lesson learned:**

- Children need to manage their hygiene and health routines more effectively. They need to learn more about cleanliness and health-related skills. These skills also make important contributions to their emotional and social development.
