

## Deepa monthly report of april 2021

Deepa was fit and healthy during the month of april. During this month she had her terminal examination, she spends much time in her study rather than playing. She regularly attends her tuition class and dance classes with hired tutor. She is conscious about her health and cares much. She helps home mother and kitchen mother in cleanliness of the ground and cutting vegetables in kitchen. She takes care of small children and helps them to wear their school dress and make ready for school. Duhabi board is trying to give vocational course to her. She is good at cleaning and gardening activities.
