

Deepa monthly report of july 2020

Deepa is physically fit and healthy. During this month she did not suffer from any diseases. She is conscious about her health and mothers always advised her to maintain personal hygiene. She regularly takes bath and washes her clothes. She is good in her behaviour and also she regularly attends her tuition class at morning and evening time. About her education recently she is learning multiply and divide which is getting difficult to memorize but she is trying her best. Deepa is giving more time to study instead of playing. She is good in house hold work but slow in learning. She forgets the things very easily so time to time revision used to be done. She regularly attends computer and dance class. She is preparing for dance program. She stays at home and playing good role as a family of Duhabi home. Deepa helps to wash dishes, clean clothes, taking care of small children. She is good in gardening and cleaning. She was seen friendly with every member of Duhabi home. She performed very well during Teacher`s Day program.
