

Report on Deepa for the month of May 2019

Deepa is a happy and cheerful. She smiles readily. She attends her school & extra tuition class regularly. Extra tuition is organized with the help of a tuition teacher. With the support of extra tuition Deepa is gradually overcoming the learning difficulties at school and coping with education. Presently she doesn't have any serious problems and thus looks healthy.

Deepa's educational updates

She took her computer class regularly and she has progressed in basic knowledge too . However, she easily forgets the things so she needs revision frequently .

Deepa's internal learnings:

Deepa helps home mother in the kitchen and in cleaning work. She too takes care of her personal belongings. She enjoys with other children especially younger ones.
