

Deepa monthly report of may 2021

Deepa Dhakal is individually sponsored by a Dutch donor. She is a 20 years old girl living at Duhabi home. It has been very long time staying at the home. She is physically fit but mentally unfit. She had some problem regarding her health which she cannot understand well.

Due to the increase in Covid-19 corona virus the school has been closed and no virtual class were provided to her by school management. She is taking tuition class for 2-3 hours per day from a hired tuition teacher. During the free time she helps the home mother and kitchen mother in cleanliness of ground and cutting vegetables in kitchen.

She takes care of small children like Ram, Laxman, Shristy, Karan and Karuna in cleaning their clothes and she helps them in bathing.

According to her tuition teacher she is not physically fit for her study she forgets the subject matter within few minutes she has a problem in understanding English and even gets confused in Nepali subject sometimes. She doesn't have an idea to deal and solve her problem herself, she needs helps to solve the subject matter as well as daily life work.

She is good in cleaning, gardening, washing clothes and taking care of small children. She is helpful to the home mother and kitchen mother at Duhabi home. Even she cannot study Duhabi Home board members and office manager along with tuition teacher are giving their best to give her some theoretical knowledge.

Deepa monthly report of may 2021

She is interested in sewing, cutting, doll making and tailoring work some vocational courses should be provided to her and make her more perfect in this types of work by which she can run her life. After lockdown Duhabi Home board will try to provide some extra vocational course for her.
