

Deepa monthly report of june 2021

Deepa Dhakal passed class 9 and is promoted to class 10. She wants to pass class 10 on the SEE (Secondary Education Examination) level. She is weak in her study although she is attending her regular tuition class. She is good in extra activities but not so good in her study. According to her tuition teacher she wants to study but her memory power or capacity is low.

Deepa is good in household work. She helps the home mother and the kitchen mother at the house in cutting vegetables and washing clothes.

After passing class 10 she wants to join some vocational course class such as sewing and cutting, beauty parlor course, doll making course by which she can run her life in the future.
