Duhabi Children Home, Sunsari Nepal

Deepa monthly report of October 2021

There are no special points to describe about Deepa. She is growing healthy as other children of the family. She has proved helpful to home mothers in household chores. She is conscious about her health and hygiene. She is good in her behavior and regularly attends her tuition class and school.

About her education, she is taking tuition class with the tutor at home. She will be appearing final exam of class 10 in few months, which is call SEE (School Education Exam) exam, previously called SLC (School Leaving Certificate). She is below average in her studies thus having difficulty in coping with besides her best efforts. Deepa wished to join vocational courses after this course.

As she is 16+ Duhabi home is trying to make her citizenship card for her.

As this month was festive month she celebrated Dashain and Deewali with much joy. She also went to board members' house to celebrate this festival and blessings
