

## Deepa monthly report of June 2020

This month was good for Deepa. During this month she feels so happy because she passed her final examination and promoted to class 9. Deepa is growing day by day at Duhabi home. She is physically fit and healthy. She is conscious about her health and takes care of her personal hygiene. She regularly takes her bath and washes her clothes. During the lockdown schools were closed and she stays at home helping kitchen mother and home mother. She gets extra time for her study and play with small children`s like Ram, Laxman and Shristi. She loves brother and sister and takes care of them. She regularly takes her tuition, computer and dance class with hired teacher. Her level of knowledge is less than her age although she is giving her good performance in study. She also helps other children to clean the ground and makes garden beautiful. She plays good family role. No serious diseases seen on her .
