

Monthly report on Deepa Gautam August 2019

Deepa seemed fit and healthy this month with her regular works and studies. She took both of her tuition and computer classes regularly with her hired tutor. In this month she attended her terminal exams in the first and second week. As she is weak in her studies, she took her exam as a challenge and studied well instead of playing. Regarding her study, she has some memorizing problem which she is trying to get rid of.

Deepa's tutor explains that she can write the task but have some difficulty in reading. For that, she also joined coaching classes in school so that she can increase her memorizing power. Likewise, she regularly attends her school without being absent. During the month she gave more focus on her studies and also helped in cleaning surrounding, kitchen mother in cooking. She is good in personal care and cleanliness. Her terminal exams are over and she has performed well than before according to her mark-sheet. Talking about her cleanliness, she regularly takes bath and washes her clothes. She is a good and helping girl to younger ones. She loves to talk and play with small children. She stays at home and helps the home mother and play a good role as family member.
