16. Teacher’s feedback on enhancement on academic performance and management

Some of the feedbacks of teachers are noted below:

- Salary increment has been often requested by the teachers of the school due to high growth of daily consumable products.
- Advancement of office room has been requested by school committee.
- Mrs. Harimaya requested for her travelling fare during her teaching days for her motivation to attend school.
- Possibilities of organizing friendly relation environment with other schools nearby through various events and programs for students

17. Guardians feedback on schools and management

Guardians usually tend to visit to school to see the good result of their children in learning. They are satisfied the way the school supports to their children. Due to some local donation given in this month to their children, it has gained some motivation to them to send their school regularly.

18. Support from government (ward, municipality etc)

Not any support for this month.
