

**MONTHLY REPORT OF DIPENDRA PRIMARY SCHOOL
FOR THE MONTH OF SEPTEMBER 2019**

Academic activities

1. Educational performance (overall)

The educational performance of this month has been more developed. Teachers were more attached with the new teaching techniques and style. This month, they taught students on how to use the techniques on gardening and farming, its benefits etc. Teachers too gave some practical works as vacation.

2. Regularity of the students

The regularity of the students was very good this month. But still, some children remained absent because of viral fever.

3. Course coverage by teachers

This month, students were more interested in learning process so teachers easily completed the course for second terminal exam. Teachers are busy in revising students about previous chapter and also took various class tests after completing unit teaching.

Extra- curriculum activities

4. Games /sports/events

This month school organized games and sports on the occasion of children's day. On 12th September running competition, memory test, musical chair and on 13th September quiz contest, drawing competition, singing competition was held.

On 6th September, school organized poem competition for enhancing student's inner writing skills.

For sports manager, Mr. Ashwin Folangi has been recruited as a volunteer who trains children in football once in a week.

5. Cleaning, gardening, activities, support to teachers etc

Every Friday, school organizes 20 minutes cleaning program from class 3-6. On 24th September, school organized gardening and farming program. Teachers and students

planted spinach for learning farming techniques. Teachers were also intended to take students in farm house.

6. Child club and its activities

Child club were very much active in this month. All the members were helping teacher for farming and gardening programs. They also organized child club meeting 2 times in a month. Not only that, they too collected money of absent students of Rs.5 to be used for club purpose.

7. Participation of activities organized by outsiders, others and school itself

This month, Mr. Shyam Bahadur Katuwal (Former president of SHC) attended children's day program organized by school on 15th September. School provided token of love as a respected honorable chief guest at the end of the program. Mr. Meharman Hughes and Mrs. Mina lawati was also present in the program.

8. Teacher's parents meeting

No any meetings held in this month

9. School management committee meeting

Meeting held on September 3rd in following agendas:

- Shifting of new SHC office in the school
- Sent of proposal for boundary wall to Municipality.

10. Attendance and absence of teachers

Mrs. Rabina Yadav has been recruited as a volunteer teacher from ward office. No other teachers remained absent this month.

Meal program

11. Parents participation/ contribution

Every day 2 parents are involved during meal program. They help in the kitchen premises in preparing a good meal for children.

12. Quality of the food, normal diet schedule

This month noodles, fried rice, potato curry, chicken curry, green vegetables and "Satu" were provided to children as a meal. Being a new meal for children, majority of them did

not preferred “*Satu*”. Some children didn’t attended meal on this scheduled date therefore changes were made and replaced the meal.

13. Overall maintenance Plan

No any maintenance done this month.

14. Donation received. (if any from government or others)

No any donation received in this month.

15. Children’s contribution through arts, drawings, essay, classroom decoration etc.

This month, class 3-6 organized drawing & exhibition program related to science and technology where children created beautiful paintings and used it for class decoration after its exhibition.

16. Medical issues

No any medical issues occurred this month.

17. Teacher’s feedback on enhancement on academic performance and management

Some of the feedbacks of teachers are noted below:

- Teachers often request for increment of salaries.
- Teachers requested to have a sound system and a microphone for school activities purpose.

18. Guardians feedback on schools and management

Guardians requested to organize small tour for children related to science, technology and farming. They are visiting their children in school timely. They have also requested to provide project works and homework for vacation

19. Support from government (ward, municipality etc)

No any support for this month.
