

Monthly report of Dipendra School for November 2019

Academic activities:

1. Educational Performances (Overall)

In this month teachers often focused on exam for next month. So, they are preparing students for 2nd terminal exam. They are trying their best to focus students on studies. They are taking weekly test to know the academic progress of the students and learn about the room for improvement. They have set up class monitors so that the collective organize seem efficient and effective. On 20th November school organized a small excursion cum picnic in Ilam for grade 5 and 6 to give them refreshment of nature and knowledge development.

2. Regularity of the students:

This month's students mostly attended school except 2 or 3 days of absence. They have remained absent because of the seasonal illness like cough, fever, diarrhea etc. However, they inform school authority as soon as possible.

3. Course average by teachers:

Teachers are almost there to complete the courses for 2nd terminal examination of the school. They are mainly focusing on practices and class test for 2nd term exam. They are also adding relevant news, events about the course to make them more effective and exciting.

Extra- curricular activities:

4. Games/Sports events:

This month teachers mainly focusing on football game but every Friday different games like Ludo, Drawing, singing, hot potatop game, In –Out, Dancing, Fire in the mountain, memory test, quiz about general knowledge are also organized. Every Friday teachers Ms. Premkumari Rai and Mr. Milan Rai are developing the students skill in football. Nowadays, girls are also equally active in this game.

5. Cleaning, gardening, activities support to teachers etc.
