Meeting held between president of Duhabi home Mr. Keshav Bhattarai, secretary Mr. Ramesh Thapa, member Vidyanand Yadav and treasurer Mr. Udhav on the case of Sita and her work in the town of Hetauda.

President of Duhabi home visited to Duhabi home on different dates to inspect work of home workers.

Report of Duhabi Home, February 2021

Reports of Children:

Three new children were admitted to local community school with the support of local donor. All the children were safe and healthy except Sita she was taken to hospital for medical treatment of her tuberculosis and skin problem, no any serious diseases found on her. She is taking her medicine regularly.

All the children were taking care of their personal hygiene properly, small children's sometimes forget to brush their clothes and children like Siwani, Urmila, Ritan forget to wash their clothes and shocks we have to remind them time to time. All the children are taking regular bath at morning except Milan.

No serious fights were seen between the children's all the children's were seen friendly with each other, sometime Ritan and Nishan fights with each other and after half an hour again they were seen friendly.

This month no children were visited by their families. Small children's like Ram, Laxman, Shristy, Karan and Karuna spends more time in playing then studying.

Sita went to Hetauda this month for her work. Deepa helps home mother for dress up to small children.

Report of Duhabi Home, February 2021

Health:

Children remained healthy this February without any serious diseases. They are well cared by staff members but Sita was taken to hospital for check up of her tuberculosis no serious disease found on her.

Education:

The children are regularly attending their school classes but sometimes toyaz tries to bunk the school and go with his friends, Board member Mr. Vidyanand Yadav motivates him towards his study but he did not change his behaviour. By this month 3 new children are admitted to local community school by the support of local donor.

Maintenance:

Small maintenance like changing lock of door has been done.

Feedback from staff about children:

All off the children are doing well, they are taking care of their personal hygiene and they were found helping each other in their work.

Toyaz misbehaves with staff member of Duhabi home and also tease to younger children`s.

Hygiene:

Cleanliness of toilet, bathroom is done in regular basis by home mother and sometimes by children. Cleanliness of playing ground is done by the children.
