## Others:

on 18<sup>th</sup> January, a one day educational tour was organized for the children at the historical place of Nepal, Janakpur. There were the children with boards and staffs in the visit. The arrival time from home was early at 7:00 AM in the morning and also had visited two other famous temples i.e. Kankali and Shambhunath Temple. Then after they had a breakfast on the way which was prepared from the home. They reached Janakpur and visited the temples and museum inside Janakpur temple area. It is a historical place of Nepal so they already heard and read about the place but now they have seen with their own experience and visit. They were happy to had a tour instead of going to picnic.
