- 2) Regarding the re-construction of boundary wall.
- 3) Miscellaneous.

**Re-solutions:**

- While discussing the proposal Number 1, the first general meeting of this Duhabi Children's Home will be held on may 28 2022 and new members will be invited to be general members of the organisation.
- While discussing the agenda number 2, it was decided to raise the pillar using of Concrete and Cement and raise the height of wall using Steel sheet above the ground level, according to the authority of the main donor organisation.
- As no issue was raised in the resolution No.3, the chairperson of meeting concluded by thanking all the members.

Online virtual meeting was held on 22th April 2022, between DH board, supervisory board and Stichting Shide Children Home Netherlands. There was discussion on

different topics regarding the cross check of audit report, two party agreement and active participation of Supervisory Committee.

### **Reports of children:**

Deepa and Toyaz appeared for class 10 SEE examination.

All of them were seen friendly during the month, they helped each other while doing homework and other extra activities.

Children remained healthy this April without any serious diseases but Anju fell ill due to weakness and one day suffered from fever, she was taken to the hospital nearby Duhabi and proper check up was done. The doctor advised her to drink plenty of water and eat nutritious food as she doesn't eat green vegetables.

All of them were having final terminal examination during the month. The examination was started from 21<sup>st</sup> of April to 29<sup>th</sup> of April, before they have attended their school classes regularly.

Deepa, Toyaz, Urmila, Siwani helped to clean the garden and other Children to clean the surrounding every day.

Elder children used to clean their rooms themselves they help home mother in cleaning and sanitation.

### **Activities of children:**

No extra activities were performed during the month as they were busy with their examination.

### **Education:**

All of the children were having their final term examination. Toyaz is attending his extra classes of his school regularly. It supports him to complete his courses and also for his SEE examination. The classes run from 7:00 am to 5:00 pm.

**Hygiene:**

Bathrooms, toilets and kitchen are cleaned regularly.

**New projects:**

The construction of collapsed wall was started to build up-to the ground level. Foundation was build by digging land for 4ft down and pillar was fixed from 5ft up to the ground level of DH, as the soil/mud of Duhabi Home can go to other side at rice field which will affect to the foundation of Home. After that the steel sheet will be used for making the wall instead of using bricks.

**Painted:**

The name of Duhabi Children's Home was written on the wall and gate of the Children's home.

**Feedback from staff about the children:**

Elder children improved their behaviour and used to was their clothes after taking bath.

**Direct feedback from children:**

Most of the children need new bags for school. School bag is quite expensive than other education materials so we are waiting for the donors to give new bags.

**Extra activity/ festival**

During this month we have celebrated birthday of Jeet and Khusi.

Similarly, an endowment account has been open in separate bank to deposit the fund from employees. Now 3 months fund has been deposited for them which they can withdraw at their retirement time.
