Meeting:

No formal board meeting was held during the month May 2022 but the chairman, secretary and treasurer of Duhabi board visited home and discussed on various topics and checked all the bills and vouchers of month of April and May.

Reports of Children:

The children were having holidays after their final terminal examination till 14th of this month. After the schools' result of children were gone to school. Ram secured 1.9 GPA, Laxman secured 1.8GPA, Anju with 78%, Anoj secured 80% whereas Urmila and Siwani got passed marks, Karan and Karuna acquired with B grade marks and Ritan with A grade, Nishan, Jitendra, Shristy and Surya promoted to next class.

During the holiday period they were busy with the games like badminton, football and speech competition organize by Child club of home. Peaceful environment is tried to

maintain by the staffs and the children were being watched every time. So, there is less chances of conflicts and fights between them.

Elder children used to clean their rooms themselves they help home mother in cleaning and sanitation.

Activity of Children:

Medical issues

Anju got suffered from viral fever, she was taken to the nearest hospital for her treatment. Due to the change in the weather the small children like Khusi and Kailash suffered from common cold.

Activities of Children:

Children drew some drawings at home and they were also engaged in cleanliness of home as regular. No such new activity was performed by children during this month.

Education:

The new session of the school begun from 15th of this month. the children are attending their regular classes of their school.

Hygiene:

Bathrooms, toilets and kitchen are cleaned regularly basis.

New projects:

Citizenship of Toyaz and Deepa are under process. Paper work has been completed for the citizenship.

Feedback from staff about the children:

During the month Anju and Anoj were more concentrated in their study for better performance and to achieve good marks on final examination. Small children like Ram, Laxman, Karan and Karuna needs much more care at home.

Staff Members:

The staffs overall worked for 30 days without any absence but home mother went to hospital for her skin check-up.

Office manager took overall responsibility of organising meeting, field work, managing office room, reporting to the higher authority.

Cook mother remained busy with their tasks in kitchen rooms. Home mother was good in caring most to the new children and their cleanliness, cleaning home, washing clothes.

Extra activity/ festival:

During this month we have celebrated birthday of Kailash.

Points of Attention:

Repair and maintenance work is still going on. Similarly, an endowment account has been open in separate bank to deposit the fund from employees. Now 4 months fund has been deposited for them which they can withdraw at their retirement time.
