Mr. Ramesh Tamrakar briefed the story of SHC including misused of funds by office managers. Dy-CDO listened to us one by one and lastly Dy.-CDO ordered to Mr. Rabi Awale to refund the misused fund within the month.

Education

All of the children are attending tuition classes with their hired teachers; Anoj is taking tuition class at his school teacher as he chooses optional maths as major subject. Three new children were admitted to local school nearby Duhabi home. Terminal examination was held during 7th to 14th October.

Maintenance

The western boundary is collapsed due to heavy rain and flood. About 100 feet brick wall has fell down that need urgent repair. The DCH is working with Duhabi municipality and expect their technical advice and financial support. Besides it, the wire fence on the eastern side needs some extra provision because of prohibited of activities of young couple on and around pond site.

Feedback from staff about children

Children were seen friendly among each other but sometime small children get quarrel with each other as in normal families. Toyaz did not change his behaviour and doesn't ask to any one while going to outside with his colleagues, classmates.

Staff Duhabi home

Staff members are regular to their works. No one took leave except on festival time. Office manager is taking overall responsibility of buying items from markets, maintaining office record. The mothers remained busy with cooking and up-keeping home and children.

Child club programme

Child club members take active participation in cleaning and sanitization program. Besides this they had no other special works during the month. However, they jointly celebrated Dashain festival.

Safety measures

All the children were advised to bath regularly, wear mask while going to outside and wash their hand frequently with soap and water to reduce the chance of corona virus, they were also said to wear warm clothes as the month is beginning of winter season.
