**Meeting:**

President of SSCHN Mr. Henk Hooghuis visited to Duhabi home on different dates and had formal and informal meeting with Chairman, Secretary of DCH and other members. They had discussed and analysed about forming of new SHC Committee, Close Monitoring of DH. Mr. Ramesh Tamrakar and new liaison Mr. Madan Dhakal's roles and their responsibilities, two party agreement between SSCHN and DCH.

On 31st January 2022 president of SSCHN, Mr. Madan Dhakal, Chairman of DCH Mr. Keshav Bhattarai and Secretary Mr. Ramesh Thapa visited Duhabi home and discussed on following agendas.

**Agendas:**

- General assembly meeting of DCH.
- Two Party agreement between DCH and Stichting SCHD.
- Code of Conduct of Duhabi Home.
- Division of Work between Ramesh Tamrakar and Madan Dhakal.
- Monitoring of DCH.

**Resolutions:**

DCH will have their general assembly meeting in between February and march, date will be fixed by board meeting of Duhabi home.

Two party agreement will be made after proper discussion with DCH and Stichting Board.

For the safety of Children, Code of Conduct will be signed by each Board members and staffs of DCH, scanned copy will be forwarded to higher authority.

Stichting SSCHD will prepare legal documents for work division between Ramesh Tamrakar and Madan Dhakal.

Close monitoring of DCH will be done by external liaison Officer.

**Reports of children**

By 12th of this month schools are closed due to the third wave of corona virus i.e. omicron variant. They were having holidays between the period. Children were involved in extra tuition classes at home.

The hired tutors are utilizing the extra time of children by conducting extra curriculum activities like playing, playing chess and Ludo, conducting drawing competition, quiz competition and speech competition.

The rest of the time children are involved in cleaning of house, premises, cleaning of utensils, & gardening etc.

During this period child club members of Duhabi home actively participated in different program, Chairman of Child Club used to inspect all the children at home and work done by them.

Siwani, Deepa, Anju and Urmila helped home mother and kitchen mother at home in cleaning and cutting vegetables.

In this month sitting sofa was made and fixed at office.

Children were found friendly during this month. No conflicts were found between them. all of them helped each other in doing work.

### **Milan**

On 5<sup>th</sup> January 2022, Milan went outside on his friend's birthday party and drinks alcohol and smoked hookah there. On the same day he was found misbehaving with home mothers, OM and Secretary of DCH.

Mr. Keshav Bhattarai Chairman of DCH convinced Milan not to leave this children home but he did not want to stay here. DCH informed to his elder brother Mr. Jiban Raut.

His brother is able to feed him and fulfil his basic need and demand so, he took his brother from Duhabi Home. Milan was happy to meet with his elder brother and he wants to continue his further study staying with his brother. DCH will monitor Milan's situation and his school results for a certain period.

### **New Year Celebration**

Children and staff members of home celebrated new year by eating delicious food with some refreshment.

### **Vaccination**

The children above 12 years old were vaccinated against Corona virus Covid-19 at their own schools.

No children were visited by their family in this month.

### **Health**

Most of the children were sick during this month. They were suffered from fever and common-cold. Children were taken to the nearest medical for check-up, medicine were given to them. they are well now. Home remedies medical were given to them. They were also advised to drink warm water.

### **Education**

School was closed due to the third wave of Corona Virus I.e. omicron virus. Children were involved in tuition class and extra classes by their hired tutor. In the end of this month result have been published.

### **Hygiene**

Cleanliness of toilet bathroom and surrounding is done in regular basis by home mother and elder girls.

### **Staff Duhabi home**

All the staff members of DCH worked for overall 31 days without being absent except OM. OM got infected by Omicron virus and took holiday for 9 days. In the absence of OM part time tutor Ms. Isha mandal looked over Children and home management.

### **Child club programme**

No formal program was performed by child club during this month, cleaning of home front side and backside is done in regular basis.

**Safety measures**

No external visitors were allowed to come inside due to the growth of Omicron virus. Local donors were advised to handover donation to home mother or to kitchen mother instead of children.

**Repair and maintenance**

This month new sofa set were fixed at office and new pillows, mattresses were made according to the size of children's new bed.
