# Report for the month of June 2019

## Report on children

June was good month for Duhabi home and children. There were no any bad incidents occurred and all the children remained healthy without any serious diseases. They were well cared by home mothers.

Pramila, Sita, Deepa, Anoj, Anju, Milan, Siwani and Urmila cleaned the surrounding every day and other small children helped them during the work. No conflict was noticed between children. Devendra was waiting for his result therefore for the time being, he joined football team.

Siwani used to steal money and the things of other children without letting anyone knows about it. Seeing her behaviour, She is suggested not to conduct such behaviours.

Milan and Anju sometimes misbehave with other children and also to home mother and kitchen mother.

## Some of the pictures of the children

## Health:

All the children remained healthy and fit. They are well fed having a nutrient rich meal three times a day. Some skin rashes diseases were seen in the children due to summer and antiseptic powder was provided which has cured the rashes.

## Report for the month of June 2019

Ram and laxman suffered from cough. Home mothers provided medicine and they are well now. Other Children remained free from illness.

Riju is back from Kathmandu due to his illness. According to his medical report, he has suffered from some sort of mental illness thus needs special attention for his treatment. He is attending specialized doctors with the help of office managers

### **Education:**

Deepa, Pramila, Ram, laxman and Shristi are attending their tuition class with their hired teacher regularly. They regularly attend their schools. The teacher of Pramila said that she is lazy in learning where as Deepa is naturally weak in her studies.

Children are regularly attending their school. Most of the children need more attention in their study. Especially Deepa, Pramila and Urmila need more attention towards their study. Others are well with their study. Anju, Toyaz and Milan are improving in their study. Anoj is good at speaking and writing English.

The SEE result has been published and Devendra passed with 3.5GPA whereas Sita passed by securing 2.65GPA.

### **Maintenance:**

Four fans were repaired this month and electric bulbs are fixed and the old damaged wires were changed.

### **Feedback from staff about children**

All the children are taking bath regularly in morning. All the children were seen friendly with one another except Anju and Milan who disrespect and shows their anger talking face to face with home mother and kitchen mother.

Ram and laxman used to forget their tie and belt in the school. The school team management took care of their things. Home mothers taught them to check their belongings before leaving school to home.

### **Hygiene**

All the children are taking bath regularly and aware about their personal cleanliness. Cleanliness is done in regular basis.
