## Report for the month of July 2019

### Reports of children

July was not so good month for Duhabi home and children because during this month there was heavy rainfall and the children became sick. The season lead to cause fever and also due to the rain the children felt lazy and uncomfortable to play outside. They were having summer vacation and the entire children stayed at home. Duhabi home staff members did not let them to play outside and they were enjoying by playing ludo, chess, and singing competition. There was no any bad incident occurred this month but some of them suffered from headache and fever. We took them to medical and proper care was done. The children remained healthy and safe without any serious diseases. They are well feed and cared by home mothers. No conflict was seen between children.

Sometimes, Ram and laxman was caught fighting while playing.

Pramila, Sita, Deepa, Anoj, Anju, Milan, Siwani and Urmila cleaned the surrounding every day and other small children helped them during the work. No conflict was noticed between children. Devendra passed his SEE exam and admitted to same school for his further study and also joined football team.

Changes have been seen on Milan's behaviour as he don't misbehave with others but in case of Anju sometimes she misbehaves with other children and also to home mothers.

Riju is well now receiving his medical treatment and timely concerning good psychologist doctor in Dharan. He feels better than before. Some changes have been seen in his body weight and in his behaviour. He wants to complete his further study and admit to same college. Also, he wants to go to Kathmandu again to work in Red Mud but denies accommodating in the hostel. Medical checkups is given properly to him and well cared and nutrients diets and food were provided timely.

## Some of the pictures of the children

### Health:

All the children remained healthy and fit but Anoj and Pramila suffered from itching and headache. They were taken for medical treatment and properly cured. They are well cared and fed having a nutrient food. Ram and Laxman suffered from cough and hollow. Home has provided medicine and they are well now. Other children remained free from illness.

### Education:

Devendra and Sita passed SEE exam and Devendra got admitted to same college for his further education in management sector. All of the children were having terminal exam during the last day of the month and had their holiday. Deepa, Pramila, Ram and Laxman, attended their tuition classes with their hired teacher regularly and also they took the computer classes properly. They regularly attended their schools. Their tuition teacher said that Pramila needs more attention towards her study as she is being lazy day by day in learning where as Deepa is naturally weak in her study where she needs more labour towards her study. Deepa joined coaching class at her school in morning so she can labour hard towards her study. Others are well in their studies.
