Electrician Replacing Capacitor.

Feedback from staff about the children:

Children needs new school dresses because the old one gets torn and don't fit due to their growth in body structure.

Staff Members:

The staff overall worked for 31 days without any absence. Office manager took overall responsibility of organising meeting, general assembly meeting, managing and preparing files for SWC (Social Welfare Council), field work, managing office room and reporting to the higher authority. Cook mother remained busy with their tasks in kitchen rooms. Home mother was good in caring most to the new children. She was quite busy with the management of clothes for children. Deepa elder girl of DH helps home mother and kitchen with their works and currently working as assistant mother at home, she used to change the clothes of children, helps other children and mother in cleaning clothes and managing rooms.

Points of Attention:

Similarly, an endowment account has been open in separate bank to deposit the fund from employees. Now 6 months fund has been deposited for them which they can withdraw at their retirement time. PM, (Aashu), will visit Kathmandu for preparing report of Riju and taking approval of budget by SWC .
