Report for the month of August 2019

Reports of children

August was good month for Duhabi home and children because during this month the children remained safe and healthy All the children were safe without any serious diseases and they got chance to play outside in their vacation. Some children were having exams this month so they spent their much time in study instead of playing. Staff members did not allow them to play during their exam time. There was no any bad incident occurred this month but some of them suffered from headache, fever and skin diseases. We took some children to medical and proper care was given to them. They were well feed and cared by home mothers. No conflict was seen between children.

Sometime Anju and Milan misbehaved with kitchen mother while serving food.

Pramila, Sita, Deepa, Anoj, Anju, Milan, Siwani and Urmila cleaned the surrounding every day and other small children helped them during the work. No conflict was noticed between children. Devendra joined same school for his further study.

Changes have been seen on Ram and laxman as they don't fight any more with each other and play properly. In case of Riju, sometimes he used to fight with small children and steal the food without knowing to anyone. No changes have been seen in Anju behaviour. She still misbehaves with other children and also to home and kitchen mother.

Riju is well now after medical treatment is given to him. We suggested him to continue his further study but he did not want to study and wants to go Kathmandu again for his work.

Report for the month of August 2019

Health:

All the children remained healthy and fit but other children like Laxman , Anju and Deepa suffered from for itching and cold ache. They were taken for medical treatment and properly cured. They are well cared and feed having a nutrient food. Laxman suffered from cough and hollow. We have provided medicine and they are well now. Other children remained free from illness.

Education:

Devendra has been admitted to same college for his further education in management sector. All the children were having terminal exam during the first week of the month. Deepa, Pramila, Ram, Laxman, Shristi and Urmila attended their tuition classes with their hired teacher regularly and also they took the computer class properly. They also regularly attend their schools. Their tuition teacher said that Pramila needs more attention in her studies as she is being lazy day by day in learning whereas Deepa is naturally weak in her study and need more labour towards her study. Deepa joined coaching classes at her school in morning so she can work hard in her study. Others are well in their studies and changes have been seen. Deepa's trying her level best to improve her studies thus plays less. School has published result of Anoj, Milan, Toyaz, shristi , Ritan and ram and laxman. The score was as follow; Anoj got 77% in his exam, Milan got 80%, Ram and laxman passed their exams but this time they did not do well. Ritan got 8th position in his class and Shristi passed her exam. In case of other children their result will be published this month.

Maintenance:

Fuse bulb where changed and battery of watch were changed this month.
