Report of Duhabi Children Home, Sunsari Nepal for the month august 2022

New projects:

The re-construction of the wall has been completed.

Repair and maintenance:

There was a leakage in gas pipe of refrigerator, because of that the water not cooling and it have been repaired.

The flush tank of both commode has been changed.

Staff members:

The staffs overall worked for 31 days without any absence. OM visited to Kathmandu for preparing report of Riju and for approval of budget by SWC.

Office manager took overall responsibility of organising meeting, managing documents, field work, managing office room and reporting to the higher authority.

Cook mother remained busy with their tasks in kitchen rooms. Home mother was good in caring most to the new children. She was quite busy with the management of clothes for children.

Points of attention:

Similarly, an endowment account has been open in separate bank to deposit the fund from employees. Now 7 months fund has been deposited for them which they can withdraw at their retirement time.
