On the other day, Mr. Keshab Bhattarai, chairperson; Mr. Ramesh Thapa, Secretary and manager officially visited the place where they used to live. Different information were collected and taken from their neighbors and made field visit paper. As their parents died, there was no one to care them and fulfill their basic needs. As a child they were abandoned from their rights. They were staying with their relatives who also have critical condition at home. They are happy inside Duhabi home and doesn't want to leave.

Now, they are new child at Duhabi home. They get much more attention and love from everyone. Home is seeking a good school for the admission for them. A possibility of local sponsors for their academic studies is rare but still certain steps are being taken. We all hope for their bright future.

They don't have birth certificate and we are in process to make it.
