

New school-outfit students Dipendraschool

In January 2019 an event of the distribution of new school-outfit students Dipendraschool was organized by local business people combined together, who formed a committee "Helping Campaign". They go to various needy places and donate some materials to economically weak society. The people contribute personally some amounts and with the sum they buy materials and organize events and conduct a distribution. They started with the distribution of sweaters & accessories to the children living economically backward. The committee distributed materials to the children of other 6 schools who are gradually in the line of poverty. On the occasion of the event, the committee requested Mr. Pradip Bhandari to be the part of the program as a special guest. Mr. Bhandari is the newly elected councilor of the state no 1. Various media personal were invited for the event. On special request, some of the respected people of town were also invited. The donation was mainly provided in order to motivate children to come to school and educate themselves to study. The children of such areas tend to focus themselves to work as a labour or look after household works. Therefore, this event made guardians & parents aware about the importance of education in children.
