

**Report on Riju Gautam  
For June 2021**

Riju has completed more than 2 years training (joined in 26 Feb, 2019) in Redmud Café at Lalitpur as trainee and intern. However, he couldn't continue this training regularly because of his health problems and Covid-19 pandemic. Nevertheless, he has almost mastered in coffee making and managing counter. He has become more cheerful, friendly, and confident and eager to start his own business once Covid will over.

Lately his incentive has been increased to Rs. 11,000.- (Ev to Euro – 77.-) per month. Out of this sum he contributes 21 Euro to hostel for his living. However, we have been providing all expenses like medical, clothing, travelling, pocket money etc when he doesn't go to work due to lockdown.

Presently, he is living in a hostel with other boys who attend different academic institutes for their higher education. He is enjoying his life with them and has become friendly than before. He was not attending his duty in café since 29<sup>th</sup> April, 2021 to 5<sup>th</sup> of July 2021. Now he is back to his work and happy to see his team there. He watches television shows especially football games during his off hours. He also practices drawing portrait when he is free.

Riju is thinking to run a similar café with friends in future. He might need start up fund for it. We are in frequent touch regarding this program.
